

K.S.B. 10/18

The K. S. B. (Kitchen selection bin) meet the practical requirements of households after separating the waste.

The K.S.B. serve the pre-sorting of waste in organic (compost) and/or waste.

The K.S.B. is dimensioned in such a way to enable easy integration into racks or standard drawer systems.

Optimum Characteristics

- smooth surfaces
- easy cleaning
- UV-resistant
- stackable
- swivel carrier handle
- re-cyclable
- various colours
- compost suitable paper bags
- sizes 10/18 litre available
